## PROGRAM DESCRIPTIONS

- **QUARRY TOUR:** The Quarry Tour at Halibut Point allows the public to wander through the history of the granite quarrying industry in Rockport. This Rockport Granite was shipped all over the country to build roads and buildings of all kinds. A granite splitting demonstration follows the tour. Visitors should meet at the Visitors Center near the quarry. For all ages.
- **Geology Rocks!:** Yes, we know ... rocks, how exciting – Well, be advised: This isn't plate tectonics! Come along with us on an hour long ramble and learn about the great unifying science of our world - geology. Discover how every rock is not a thing, but a drama revealing much about ourselves and reflecting the universal axiom. For those twelve and older.
- **Tidepools:** The tide pools at Halibut Point are some of the best in the state! Come explore the creatures that live in this delicate zone of the ocean world. Beautiful views over the Atlantic to NH and Maine. Meet at the Visitors Center. For All Ages!
- **Legends & Lore:** Thousands of years of Cape Ann history. This walk details the lesser-know past of the North Shore, from Clovis settlements to the birth of Universalism. For all ages. Meet at the Visitors Center.
- **Park Walkabout:** Mid-week stroll featuring a little of all the park's interpretive programs. Meet at the Visitors Center. For all ages!
